MADDY REPORT INTRODUCTION

On January 1, 1977, the Maddy Local Appointive List Act of 1974 became effective. The intent of the State legislation was to make citizens more aware of the many opportunities for participation on local citizen committees. The legislation requires local governments to:

1. Publish an annual list of all citizen committees appointed by the Board of Supervisors. The list is to contain the committee name, names of incumbents, appointment dates, term expirations and qualifications for appointment to the committee.
2. The County must post a notice within 20 days after a vacancy occurs. No appointment can be made for 10 working days after the posting, except on an "acting" basis in an emergency.

The official Local Appointment List is posted in the Office of the Clerk of the Board of Supervisors, Room 402, County Administration Center, 1600 Pacific Highway, San Diego; the Clerk of the Board Internet site; and the San Diego Public Library, 820 E. Street, San Diego, CA 92101.

Vacancy notices are also posted with the Clerk of the Board; the San Diego Public Library; and with community organizations whose members are prospective applicants for the County's citizen committees.

Members of Boards, Commissions, and Committees listed in this roster are citizen appointments or nominations made by the San Diego County Board of Supervisors. Not listed are members appointed by other public bodies, members of the Board of Supervisors or appointments made by County staff or citizen committees.

The members listed were serving on a County Board, Commission or Committee on December 31 of the past year.

Additional information is available in the Office of Clerk of the Board, Room 402, County Administration Center, or by calling 619-531-5600.

PREFACE

In 1976, the California Legislature (California Code Section 54970 – 54975) declared that a vast and untapped reservoir of talent existed among the citizenship and that segments of this citizenry needed to be made aware of the many opportunities which exist to participate in and serve on local regulatory and advisory boards, commissions and committees. This great human resource could contribute significantly to efficient government. The Board of Supervisors is committed to providing all citizens with access to specific and current information about the local boards, commissions and committees so they might pursue the opportunity to serve on and participate in the operations and processes of local government.

The Board of Supervisors has designated the Clerk of the Board as the office who shall prepare, update and maintain a roster of all regular and ongoing boards, commissions and committees as well as the names of appointees who serve at the pleasure of the Board.

This roster, more commonly referred to as the Roster of Boards, Commissions and Committees, is divided into two volumes. Each volume is an alphabetical compilation of fact sheets, which identifies the board, commission or committee, its legal authority, the terms of appointment, the necessary qualifications for appointment, a listing of appointees, dates of appointment, expiration of terms, appointing authority and existing vacancies.

Persons wishing to apply for membership to a board, commission or committee should complete an application form and deliver it to the Clerk of the Board of Supervisors' office. These vacancies do not require posting.

When unscheduled vacancies occur due to death, resignation or any other cause, the Clerk of the Board must be notified immediately. **The Clerk is required to post a special vacancy notice within 20 days after the vacancy occurs.** The Board of Supervisors shall not make final appointment to the board, commission or committee for at least 10 working days after the posting of the notice in the Clerk's office and other designated location. However, the Board of Supervisors may, if it finds that an emergency exists, fill the unscheduled vacancy immediately. Persons appointed to fill such a vacancy shall serve on an "acting" basis until the final appointment is made (California Code Section 54974).

The Roster of all Boards, Commissions, and Committees is published annually; however, it is updated weekly with information regarding new appointees, terms of appointment, vacancies or amendments to membership requirements. It is available in the Clerk of the Board of Supervisors' office. The intent is to provide the public with access to current information regarding the many local regulating and advisory boards, commissions, and committees and provide an equal opportunity to be informed of existing vacancies.
